Profile

Computer Information Technology student at California State University, Northridge. Developing web-development and information-technology skills while building on retail and maintenance experience. Eager to learn new technologies and contribute as a dependable team member.

Work Experience

Seasonal Maintenance Associate

Walmart #5152 - West Hills, California | 2023-2024

Supported a clean, safe, and organized retail environment; performed routine maintenance and cleaning tasks; helped maintain customer-facing areas to company standards; and worked as part of a fast-paced retail team.

Seasonal Clerk

Macy's Department Store - Thousand Oaks, California | 2013-2014

Provided courteous customer service, assisted with stocking and merchandise organization, and collaborated with team members to support a positive shopping experience during the seasonal retail period.

Education

California State University, Northridge

Computer Information Technology Program | 2024-Present

Currently pursuing studies in information technology and web development.

Los Angeles Pierce College | 2017-2024

Completed lower-division college coursework before transferring to CSUN.

Moorpark College | 2013-2016

Completed college coursework prior to attending Los Angeles Pierce College.

Thousand Oaks High School | High School Diploma, 2009-2013
